

Explanation of data_set_A.csv

data_set_A.csv (1.2MB)

File format:

With header, comma-separated

Overview:

Data Set [A]. Data on electricity load from January 1, 2009 0:00 until December 31, 2015 23:00.

Explanation of table:

DATE target date of electricity load

TIME target time of electricity load. Given that "n" is a whole number between 0 and 24, the time between n:00 and (n+1):00 is defined as n:00 on this application guideline.

For example, when n=7, 7:00 and 8:00(7+1) is defined as 7:00.

LOAD(10MW) hourly average of electricity load. The unit is (10MW).

Sample :

```
DATE, TIME, LOAD ( 10MW)
2009/1/1, 0:00, 2892
2009/1/1, 1:00, 2695
2009/1/1, 2:00, 2537
2009/1/1, 3:00, 2411
2009/1/1, 4:00, 2227
```
